

~~TOP SECRET~~
DAILY STAFF MEETING

10 September 1951

25X1

Mr. Becker noted that:

a. There existed question as to what the relationship should be, security-wise, between CIA and the Federal Civil Defense Administration. This has the attention of both I&S and OIC.

b. Newspapers have published releases about removal of restrictions on U.S. air action beyond the Yalu. Mr. Becker will look into further dissemination of information on this subject within the CIA.

25X1

Col. Hansen reported that:

a. A conversation between the Director and General Bolling determined that objections to Section 8 of Annex 6 of NSC 68 were the objections of a subordinate level and not of General Bolling's level.

25X1

b. General Counsel has the dual capacity of representing SSU and CIA. (Mr. [] said that steps were being taken to have the Defense Department take over representation of SSU. He will report when this is completed.)
